Public Act 339 of 1919

- 🐾 All dogs are required by state law to be licensed by the age of 4 months**
An owner has thirty (30) days to provide proof of age, proof of current rabies shot, and proof of spay/neuter (if applicable) to licensing office.
- 🐾 Purchase in person at Treasurer's Office, Animal Control or vendor**
Call ahead to see if your local municipality or veterinarian office sells dog licenses. Need application form, proof of spay/neuter (if applicable), the current rabies certificate and payment. Applications can be mailed to Treasurer's office with all documentation listed above.
- 🐾 Must be a resident of Genesee County**
Valid Genesee county residency and address required. Changes of address must be reported to Genesee County to receive license renewals.

- 🐾 3 Year License**
Three year licenses must be purchased at the beginning of a three year rabies vaccination. For those in the middle of a three year vaccination, a one year license must be purchased until a new three year vaccination is given. The rabies vaccine must be valid the duration of the dog license.

- 🐾 1 Year License**
If a one year license is purchased, a one year license must be purchased each year until a new 3 year rabies vaccine is given. License is due for renewal the month of the rabies vaccination.

- 🐾 If the rabies vaccine expires in the current year**
A new vaccine will be needed and then a license can be purchased with proof of vaccination. A license will not be sold when the rabies vaccine is expiring in the year of the license that is being purchased.

- 🐾 Delinquent Fee charged month after rabies date**
Owners must purchase license the month before, the month of or the month after the date of the rabies vaccination or pay delinquent fee. Customer has the entire calendar month after rabies vaccine to purchase license.
